

OFFRE DE SVE EN ROUMANIE

DATE : du 1/03/2015 au 31/08/2015

ORGANISME : Alpha Transilvană Foundation

THÈME : Working with people with disabilities

Volunteers will conduct activities among young people with disabilities. During the six months they will have the opportunity to visit the resort Sovata - the mine, Praid saline, Turda Salt Mines, Museum of straw hats from Crişeni and Sighisoara. Long-term benefits for the four volunteers are: personal development, increasing creativity and acquiring new skills; development of self-confidence; contributing to Mures counties community development, understanding better the problems of persons with disabilities; gaining experience in working with people with disabilities; gaining the chance to become an example for others; adding personal experience in curriculum vitae; testing skills that are needed in social fields; learning romanian language; living a multicultural experience. By volunteering at Alpha Transilvana Foundation they will increase their personal development and worldviews. So they will be able to increase as human values. Besides they will receive a beautiful experience, because volunteering at the foundation requires involvement, that is essential as an aspect for the development of knowledges.

Alpha Transilvană Foundation is a non-governmental and non-profit organisation, founded in 1992, a humanitarian and charitable foundation; political, ethnic, racial and religious unconditional, no patrimonial purpose, helping people with an intellectual, physical, mental and social disability but also other persons in need. During 22 years of activity Alpha Transilvană Foundation became a humanitarian organization providing social services, recognized locally, nationally and internationally. From a team of 8 employees at the beginnings, in 2014 became a large family of 77 professionals and specialists, whose primary purpose is to provide quality services. Every year we have the same objectives: to restore hope and improve live – life of our community.
